

# SMALL PLATE, BIG IMPACT

## International School Meals Day ! #SmallPlateBigImpact

**Location: European Parliament, Strasbourg (Room WEISS n°4.3)**

**Date and Time: Thursday 13 March 2025, 10:00-12:00 (CET)**

International School Meals Day is a global initiative aimed at raising awareness about the importance of healthy school meal programs for better education and overall well-being for children. To celebrate this day, ICLEI, IFOAM Organics Europe, and the Socialists and Democrats Group in the European Parliament will bring together policymakers and experts to emphasise the critical role of healthy school meals and food education.

School children will present a Petition for an EU-wide standard of healthy school meals and food education for all. The session will also showcase how sustainable public food procurement can support European farmers and biodiversity, overcome urban-rural divides and inspire action toward a healthier, more sustainable food system.
